

Check off these important points after reading the Sumida City Flood Hazard Map!

Check off each item after confirming it.

- Are you aware of the risk of flooding of the Arakawa River?
- Do you know the risk level for flooding of your home?
- Do you know where to evacuate to and how to get there?
- Do you know what to bring with you when evacuating?
- Do you know how to get information and updates in an emergency?
- Have you created an evacuation timeline (My Timeline)?

Make sure
you're
prepared for
a flood!
