

Usage Guide (English)

1. Showing Consideration for the Surrounding Area

(1) Noise

- There are many private residences in the vicinity. Please show full consideration for the people living in the surrounding area.
- Kindly refrain from speaking and singing loudly, and playing music at a high volume.
- Please do not loiter in the corridor or lobby outside of the facility.
- Please close the doors quietly.

(2) Waste Disposal

- Please put your trash in the trash cans available within the facility.
- Do not dispose of trash outside of the facility or near other private residences.

2. Fire Prevention

(1) Please do not leave the stove unattended when cooking.

(2) Please do not place flammable articles near cooking, heating, or lighting appliances.

(3) Please do not smoke on the futon or bed. Please smoke in the designated area.

(4) Please check whether the cigarette has been extinguished before putting it in the ashtray.

3. In the Event of Fire, Earthquakes, or Other Disasters

(1) Precautions During Disasters

- Please call the fire department immediately if you discover a fire. (Tel. No. 119)
- In the event of earthquakes, hide under a table or in a location where you will be protected from falling objects.
- Then switch off all cooking and heating appliances immediately.
- Evacuate to a safe location by following the escape route on the map.

(2) Emergency Contact Numbers

- Fire Department/Ambulance: **119** 
- Police Station: **110** 

*Please provide your address as well when contacting the emergency numbers.
